

SHEPARD'S  
THIRD TICKET.

It Is to Be Placed in the Field at a Meeting in Brooklyn To-Night.

## C. S. FAIRCHILD FOR GOVERNOR

Shepardites Want Him, but the Grace Deal May Force a Declination.

## HELP FROM UP THE STATE.

The Bolters Claim They Will Have No Trouble to Obtain the 3,000 Necessary Signatures.

At the headquarters of the Shepard Democracy "in" Kings County, 391 Montague street, Brooklyn, this morning, it was officially announced by Secretary Charles J. Edwards, Mr. Shepard's right-hand man, that a third State ticket would be placed in the field at once.

All the delegates of the anti-regulars from Kings County who went to the Saratoga Convention received a notice from Mr. Shepard this morning to meet at the Montague street headquarters to-night to select candidates for Governor, Lieutenant-Governor and Justice of the Court of Appeals.

If the ticket is prepared to-night, the petition required by law will be circulated in Brooklyn, New York and up the State for the 3,000 signatures necessary before the ticket can be printed.

The object of circulating the petition outside of Brooklyn is to give the dissatisfied factions in some of the up-State counties a chance to co-operate in the movement.

The law requires that the petition shall be filed with the Secretary of the State by or before Oct. 16.

The Shepardites believe that there will be no difficulty in securing signatures as in Kings County alone, they say there are nearly 10,000 voters who are in sympathy with the movement of a third ticket.

The only candidate spoken of to head the new ticket so far is Charles S. Fairchild, of the Grace Democracy. In view of the talk of a deal between the Grace people and Tammany Hall, it is not believed that Mr. Fairchild would now accept the nomination, although he once professed a willingness to do so.

In Kings County the action of the 260 Republicans who met to-night in the Montague street headquarters, to select candidates for Governor, Lieutenant-Governor and Justice of the Court of Appeals, was considered a considerable feeling to crop out among the independent element of the G. O. P.

The Shepard people say now that they will gain thousands of votes by the partisan attitude of the Republicans. Now that the Republican Committee members from Kings County are out, Chairman James D. Bell says matters among the regulars will run smoothly. New blood will be selected. The regulars are to make no further effort towards harmony with the Grace wing. The latter organization will now also have to contend with the enemy—the Gaynorites. This element is made up of the friends of Justice Gaynor, who blame Edward M. Sheehan, Justice Gaynor's nomination. It represents regular Democrats, Republicans and independents who see no object in defeating the Shepard Democracy.

## IN M'KANE'S OLD DISTRICT.

## The Situation Disquieting to the Regular Democracy.

It leaked out this morning that there was considerable dissatisfaction in Gravesend among the way matters have been going among the regular Democrats. From a word dropped by Chairman Bell this morning it is believed the trouble will be brought before the courts.

Many of the regulars in McKane's domain have signalled their intention to vote with the Shepard Democracy. As Edward M. Shepard was prosecutor-in-chief of John Y. McKane, this has caused war to be declared by the friends of the ex-Governor.

On Saturday and during yesterday McKane's friends, including Justice Gaynor, Edward M. Sheehan, and others, were seen in various convenient and conspicuous places, such as lamp posts, and in the streets. Just what the true state of affairs is the leaders of the regulars in Brooklyn are trying to keep their cover.

Mr. Bell was heard to say this morning that he would maintain some of the election inspectors of the G. O. P. and from this it is believed that the matter will take the form of a court proceeding.

None of the old-time politicians of Gravesend who went to the McKane campaign are taking an active part in the campaign. The most recent acquisition to the contingent is Charles H. Morris, who was released from the penitentiary the other day. The anti-McKane element is on top of the heap. It is claimed now, and will carry the town.

GRACE WORRIES  
THE TIGER.

(Continued from First Page.)

success of the State ticket is paramount. It must be the first to receive consideration.

Beyond this Mayor Gilroy would say nothing. None of the others would talk at all.

The Mayor's statement is, however, regarded as confirming the story that a deal of some kind has been made with the Grace-Fairchild combination, and that the ticket to be named by the latter to-morrow night will be no selected as to make a Tammany endorsement easy and certain.

The Tammany leaders are busy trying to agree with the State Democracy people on a division of Congressmen and Assemblymen in an effort to strengthen the State ticket and to get a majority in the State Legislature, so that Senator Hill can carry out his promise to send Bourke Cockran as his successor to the United States Senate.

There is a suspicion among the Tammany leaders that Senator Hill is placing too much confidence in Mr. Grace, and that the latter proposes to give Tammany what is known to gamblers as the "double-cross." These suspicious persons profess to believe that among other things Mr. Grace is playing for the "balance of power" in the Legislature, so that he can secure the United States Senate for himself under a threat that he will otherwise throw his legislative votes for the choice of the Republicans.

Mr. Grace is giving the Tammanyites a lot to worry over just now. They admit that he can secure the election of the Republican city ticket if he places a city ticket of his own in the field made up of candidates that Tammany cannot endorse, and they are so certain that he intends to use his power to the utmost that they are no longer talking of meeting him half way, but of sacrificing everything for the harmony "necessary" to elect the State ticket.

Mayor Gilroy has denied right along that there is a deal on with the Grace Democrats, and from present indications it looks more like a "surrender" on the part of the regulars.

The Tammany men are said to be praying that the LXX will refuse to carry the ticket of the Grace-Fairchild organization on the new ticket, as they fear that the strength of that organization may be broken up if thrown for the Union ticket, would more than anything else, tend to the defeat of the regular Democratic candidates.

There are already several candidates in the field for the nomination, and the most prominent is Howell C. Rees, a friend of Mr. Rees have called the indignation meeting at the Lexington Avenue Hotel, which was held when Mr. Rees was elected to the State ticket.

Mr. Rees has been elected to the State ticket, and he is expected to make a sensational disclosure as to what he has made of the machine, which the voters have been imposed upon and deceived by the machine lead.

It is said that a well-known Republican politician connected with the lobby at the Hotel New York, who has been in the city for some time, is expected to make a sensational disclosure as to what he has made of the machine, which the voters have been imposed upon and deceived by the machine lead.

step was taken towards meeting the emergency. Gen. Rosenbough, Chief of the Bureau of Elections, submitted to the Police Board a complete list of the names of the voters who had last August.

Action on the part of the Police Commissioner was delayed in deference to the Committee on the Police, which was to have no apparent reason for delay unless it might be for the furtherance of the cause.

The great majority of the voters are on the east side of the downtown districts, and as the majority of the owners of property waited are Hebrew and to-morrow is the day of Attonement, there is little probability of securing the needed leaves in time.

Most of the trouble may be alleviated, as captains of the several police precincts are empowered under the law to do so, and the Police Commissioner, in emergency as is feared, and Clerk Allen hopes that suitable places may be found in time for the beginning of the registration.

The other days of registration are Oct. 17, 18 and 19. It is expected that the day of election inspectors will be filled to-morrow morning before the registration begins.

**FRAUDULENT CERTIFICATES.**  
Delegates to a Republican Assembly Convention Said to Hold Them.

The Republican voters of the Fourteenth Assembly District are in a state of lively commotion to-day over a circular which has been issued, calling for an indignation mass-meeting to-night at the Lexington Avenue Opera-House.

The object of this meeting is to protest against alleged frauds which have been committed in issuing bogus certificates in number of the election districts to delegates to the Assembly and Aldermanic Convention, to be held on Wednesday evening.

There are forty-one election districts in the Assembly District, and it is alleged that in at least seven of these districts bogus certificates have been issued to delegates to the Assembly and Aldermanic Convention, to be held on Wednesday evening.

There are already several candidates in the field for the nomination, and the most prominent is Howell C. Rees, a friend of Mr. Rees have called the indignation meeting at the Lexington Avenue Hotel, which was held when Mr. Rees was elected to the State ticket.

SARATOGA, N. Y., Oct. 8.—The St. Lawrence County delegation, which numbers fifteen out of the thirty delegates to the Saratoga County Democratic Convention, is determined to renominate Gen. N. M. Curtis, who was defeated last year, for Governor.

Joseph P. Schuchman, who was anxious to bring about the nomination of Keegan J. Keegan for the Assembly and M. J. Kane for the Senate, was ordered by District Leader Ross to wait a year or two, held a meeting yesterday at Saratoga Springs, N. Y., and the regular Democratic ticket, although they did not have the privilege of nominating any one.

**Wants to Succeed Hendrix.**  
The voters in the Third Congressional District of Kings County received a letter this morning signed by half a dozen well-known Brookliners, strongly Democratic in the past, it being Ross Coker's old district, the disaffected element in the Tammany ranks and a combination of the Republicans with the Anti-Tammanyites are expected to defeat the Tammany ticket to-morrow night.

There is to be a big fight for the Republican nomination in that district this year, for although the district has been traditionally Democratic in the past, it being Ross Coker's old district, the disaffected element in the Tammany ranks and a combination of the Republicans with the Anti-Tammanyites are expected to defeat the Tammany ticket to-morrow night.

## WHAT AILS MY NERVES?

They Are Almost Driving Me Crazy.

They Won't Let Me Work and They Spoil My Pleasure.

Here is a Way to Have Nerves Like Steel. Just Read This.

Thousands of people feel this way. Their nerves are weak and irritable, they pass sleepless nights, waking in the morning, tired and unrefreshed, with bad taste in the mouth, and dull feeling over. They feel nervous, blue and discouraged, often having a sense of anxiety and apprehension, as of some impending danger.

They feel they have lost their nerve power and much of their energy and ambition. They often declare themselves as "feeling just good for nothing." This was so with Mrs. N. H. Clark, a prominent and well-known lady of Montclair, N. J. She writes the following unusually interesting letter:

"For some time I have been fearfully prostrated with nervous weakness. I was continually without strength and unable to do my work. I was completely tired out, and my nerves were so weak I was good for nothing."

"I could not sleep nights, I was so weak and nervous, and when I arose in the morning I was as tired as when I went to bed, and sometimes even more so. I was entirely used up and miserable. I had no appetite, and the little food I could eat distressed me awfully."

"I had a constant fear and dread that something was going to happen to me. I had a cough and bronchitis. I employed doctors and took medicines constantly, but without benefit. At this time a friend who had used Dr. Greene's Nervura blood and nerve remedy, and been cured by it, advised me to try it."

"I had not used the first bottle when I could plainly see longed results that from all the other medicines I had ever before taken. The good I derived from this most wonderful medicine was marvellous."

"I feel perfectly well, my nerves are strong and quiet. My appetite is good and I can eat anything without distress. I heartily recommend Dr. Greene's Nervura blood and nerve remedy to everybody, for I believe it to be the best medicine I ever have found, and a great boon to mankind."

"You who are sick and suffering just remember this: Dr. Greene's Nervura blood and nerve remedy is the medicine that cures, and is exactly what you want. You may not be sick with any particular disease, but you are out of order, have weak nerves and tired body. You have lost your snap and energy, and work becomes an effort. You need Dr. Greene's Nervura blood and nerve remedy. It will cure you."

"It is not a patent medicine, but the prescription of the most successful living specialist in curing nervous and chronic diseases, Dr. Greene, of 35 West 14th St., New York City. He has the largest practice in the world, and this great medical discovery is the result of his vast experience. The great reputation of Dr. Greene is a guarantee that his medicine will cure, and the fact that he can be consulted by any one at any time free of charge, personally or by letter, gives absolute assurance of the beneficial action of this wonderful medicine."

**VESSLS ON FIRE AT SEA.**  
Two Dangerous Derelicts Reported by Incoming Steamers.
